ENTRY, PREPARATION & PARTICIPATION CRITERIA

The Kokoda Ultra Marathon is a once in a lifetime opportunity for experienced endurance runners, adventurers and trekkers to push themselves to the limit and pay their respects to the fallen soldiers of the Kokoda Track Campaign of World War II. Due to the challenging but very rewarding nature of this adventure, participants need to be Kokoda fit, physically & mentally strong.

We've created some important criteria to ensure everyone enjoys the experience and finishes safely. All competitors must be able to demonstrate or fulfil the following before, in the lead up and during the event:

ENTRY CRITERIA

ALL APPLICANTS MUST:

- fully understand the remoteness, harshness and isolation of Kokoda and the risk associated with these conditions.
- have strong belief they can prepare themselves adequately to compete in such an extreme event that is the Kokoda Ultra Marathon.
- show proof they have successfully completed at least one commercially organised 100km or 24 hour ultra marathon/endurance based event within the 18 months prior to the date of application. Only events of 100km or greater and with an elevation gain of 2500 metres or greater will be considered i.e Kokoda Challenge, Oxfam etc. *(Please Note: Competitors can still apply if they have not yet successfully completed the above criteria. Applicants must nominate the event / events they wish to use as long as it falls prior to 26th March 2017).*
